OASIS is an Italian entrepreneurial family story that starts in 1908 from a small workshop. Today we are an industrial company with a global exposure but deep roots in the Italian high-end furniture tradition.

IT-

OASIS è una storia familiare imprenditoriale italiana che inizia nel 1908 da un laboratorio di falegnameria. Oggi siamo un'azienda industriale con un'esposizione globale, ma con radici profonde nella tradizione italiana dell'arredamento di alta gamma.

Clean lines and suspended volumes define balanced spaces, designed to welcome with simplicity. Natural tones – sand, honey, earth, and ash – blend with matte finishes and light textures. Soft, measured lighting enhances every detail without overwhelming. Light woods, smooth surfaces, and minimal details create a quiet yet precise aesthetic. A coherent mood, where form and function merge into a timeless, contemporary language.

IT-

Linee pulite e volumi sospesi definiscono spazi equilibrati, pensati per accogliere con sobrietà. Le tonalità naturali – sabbia, miele, terra e cenere – si combinano con finiture opache e texture leggere. La luce, diffusa e misurata, valorizza ogni

dettaglio senza invadere. Legni chiari, superfici morbide e dettagli minimali costruiscono un'estetica silenziosa ma precisa. Un mood coerente, dove forma e funzione si fondono in un linguaggio contemporaneo e senza tempo.

Soft architecture and essential forms come together in spaces with a strong visual identity. Curved walls, solid volumes, and circular openings define a fluid, continuous environment, free of edges or interruptions. Every element is balanced between form and function. Matte surfaces, natural tones, and subtle textures convey a sense of order and calm. Light shapes the geometry, highlighting solids and voids, while furnishings blend in discreetly. A pared-back aesthetic, designed to give space to the essential.

These spaces stand out for the strength of their architecture: exposed beams, clean volumes, and essential geometries. Every element is precisely calibrated, and the furnishings are placed with care, following the space without disrupting its balance. Textured materials, matte surfaces, and deep tones—from grey to natural wood—help shape sober yet characterful atmospheres. Shadows define solids and voids, enhancing rhythm and depth. A solid, functional aesthetic, designed to endure over time.

Ogni elemento è calibrato

si inserisce con misura,
seguendo lo spazio senza
